

Material:

Polyester 64%

Fiber containing seaweed 8%

Fiber containing zinc 4%

Polyamide/elastane 24%

Wash:**Cool, dry and odorless**

A new unique material with a natural fiber feel that keeps the user comfortable, dry and odorless.

Made by a patented method, with by a hint of natural materials.

It quickly wicks moisture away from the skin and feels soft.

Special treatment in the yarn eliminates odors.

Comfort that does not disappear after washing.
